Bozeman, MT 59718

August 26, 2021

Ladies and Gentlemen:

Montana Fish, Wildlife, and Parks (FWP) is granting approval to stock Arctic grayling in Chiquita Lake as part of a larger native species restoration project in the North Fork of Spanish Creek.

The Draft EA for this project was available for review in Helena at FWP's Headquarters, the State Library, and the Environmental Quality Council. It could also have been obtained from FWP at the address provided above or viewed on FWP's Internet website: <http://www.fwp.mt.gov>. Public comments were taken from June 30 through July 28, 2021. The public was informed of the Draft EA through the Bozeman *Daily Chronicle* and Helena *Independent Record*. One comment was received and provided in the Decision Notice.

It is my decision to proceed with the proposed project, with no changes to the Draft EA.

Questions regarding this Decision Notice should be mailed to:

Mike Duncan
Madison-Gallatin Fisheries Biologist
Montana Fish, Wildlife & Parks, Region 3
1400 South 19th Ave.
Bozeman, MT 59718

Or e-mailed to: mike.duncan@mt.gov

Thank you for your interest.

Sincerely,

Marina Yoshioka
Region Three Supervisor
